OCTOBER 1997 \$2.49

Yesteryear's
comforts

Porches, sunrooms, window seats —
they're back and we love 'em p.58

Home cooking — a dozen
of grandma's favorites p.234

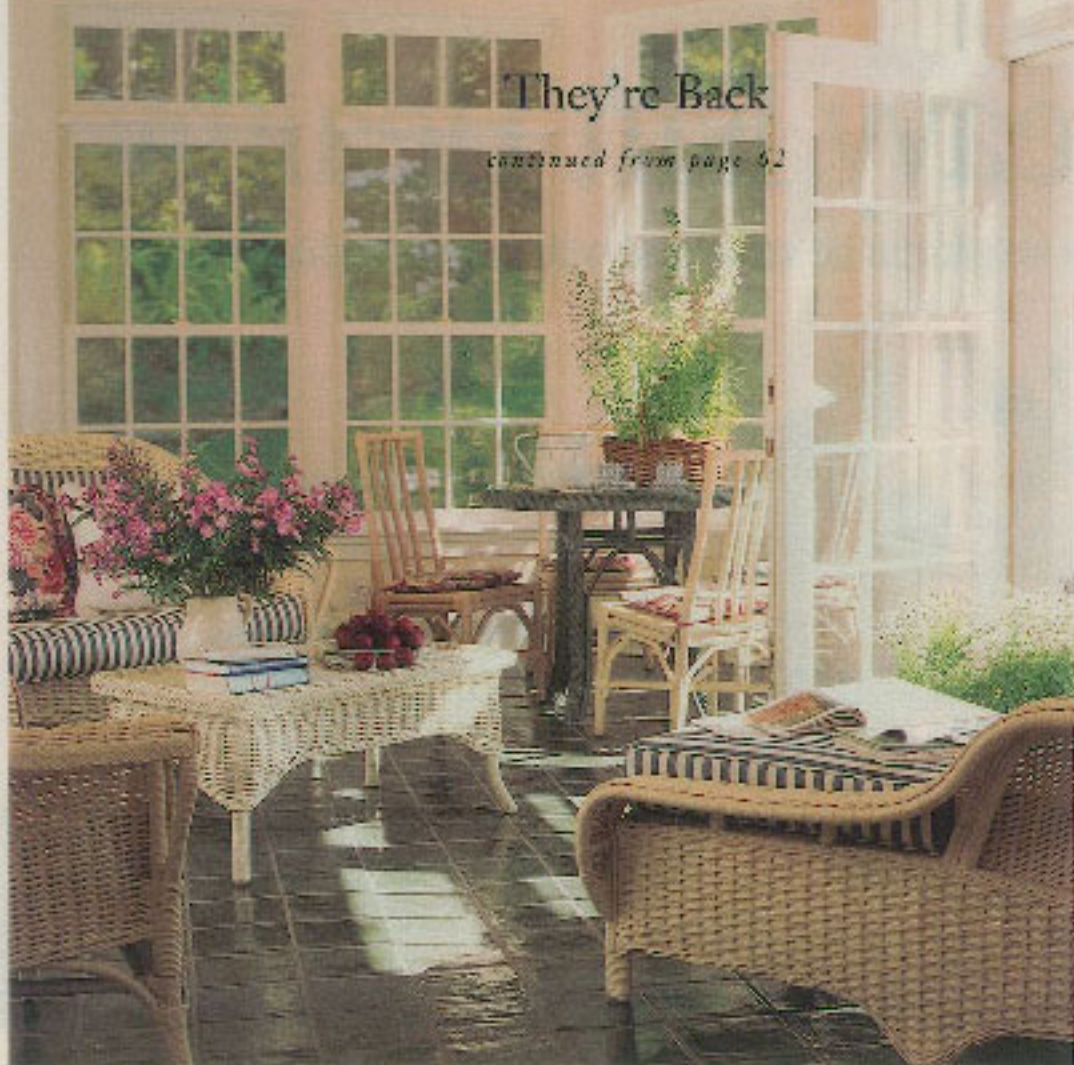

Friendly kitchens
that say "come on in, the
coffee's on" p.221

Helping
families
live better
lives for
75 years

They're Back

continued from page 62

Sunshine will never go out of style.

PORCHES AND SUNROOMS may even be more necessary today than they were 75 years ago. In a hassled world of e-mails, clogged freeways, and conference calls, they provide opportunity to break away from it all. This sunroom (*above*) combines white walls, trim, windows, and wicker furniture with a green ceramic tile floor—and sunlight, of course—to provide the perfect spot for relaxing.
